

SPRING SUMMER COLLECTION 2019

## SPRING SUMMER COLLECTION 2019

Gammon Rainwear rinnova la sua visione contemporanea dell'outerwear disegnando una collezione in cui forme innovative si combinano con un tessuto tecnico leggerissimo, lucido oppure opaco, e colori brillanti, all'insegna di uno streetwear di grande stile mantentendo sempre alte performance tecniche. In più, la collezione si arricchisce di accessori per il viaggio e capi essenziali per il tempo libero (come felpe, t shirt e polo) ispirati ad un casualwear versatile e leggero.

Gammon Rainwear renews its contemporary vision of outerwear by designing a collection in which innovative shapes are combined with a very light, shiny or matt, technical fabric, and bright colors, based on a stylish streetwear, always maintaining high technical performance. In addition, the collection is enriched with accessories for travel and essential items for leisure (such as sweatshirts, t-shirts and polo shirts) inspired by a versatile and lightweight casualwear.
